

Applicants' response has been received, however the reply filed on 6/13/2008 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): A full traverse or terminal disclaimer was not made in Applicant's response to the double patenting rejections. Although these are provisional rejections a traverse or terminal disclaimer directed at each co-pending application is required. Please refer to the Office Action dated 3/13/2008 page 13 for the double patenting rejection. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
